

Exposure 2024 Exhibitions

Welcome to the twentieth anniversary edition of the Exposure Photography Festival. We are delighted to celebrate this important milestone with the photography community!

This year's festival offers an exciting program of exhibitions and events, featuring a wide range of subjects, practices, and explorations of photography and lens-based art. Make sure to visit our Festival HQ at Contemporary Calgary. At Exposure HQ you'll see our curated exhibitions, featuring some of the best local and international artists, and you'll have the opportunity to attend our festival events.

As always, Exposure's 2024 Exhibition Partners present an outstanding lineup of group and solo exhibitions that address diverse curatorial themes. You'll find our partner exhibitions in Calgary, Banff, Canmore, Crowsnest Pass, Edmonton, Peace River and Red Deer, hosted in galleries, museums, libraries, local businesses and outdoors!

The Exposure 2024 exhibition program encompasses over 20 shows and 150 exhibiting artists. The Exposure Board and Team would like to thank all of our Exhibition Partners for their stellar programming. We're thrilled to welcome you to this year's festival.
